

ST. BERNARD SCHOOL

PreK 3 – 6th Grade

Things we are proud about...

- ❖ **St. Bernard School has an environment conducive to learning.** Children learn best in an orderly and disciplined classroom. Students at St. Bernard School are taught respect for themselves and for each other. Proper conduct, appearance, and courtesy are expected from every child.
- ❖ **St. Bernard School warmly welcomes diversity.** Our children are taught to welcome children of all faith traditions with respect and hospitality. As a Catholic institution and for the betterment of our society, we value all children and see it as our mission to serve them equally.
- ❖ **No child will be turned away because of an inability to pay tuition.** St. Bernard School has numerous tuition assistance programs. Through the generosity of local businesses, private scholarships and educational foundations, St. Bernard School has an abundance of financial aid available for eligible families seeking tuition assistance.
- ❖ **Strong basic skills and essential knowledge are the cornerstones of our academic program.** The elementary grades are a crucial time in every student's intellectual development. Success at the secondary level is largely determined by what a child learned in elementary school. St. Bernard School provides an excellent academic foundation for students with high standards and quality instruction.
- ❖ **We provide a great deal of attention to individual needs.** We respect the fact that students learn at different paces and in different ways. Our teachers provide appropriate instruction to students of varying ability levels. One-on-one help and accelerated learning are available.
- ❖ **Your child is important to St. Bernard School.** Our small size allows us to focus on children as individuals. Teachers and administrators are accessible and will work with you to provide the best possible learning experience for your child. The success of your child is our number one objective.
