Fall 2024

Middle School Students Visit Harrisburg

Senator Pittman gave the students a tour of the Capitol, which included his office. St. Bernard students were recognized as special guests, while they watched a Senate session from the gallery.

After exploring the Capitol, students walked to St. Patrick's Cathedral. They were amazed at the beauty of the Cathedral.

Students in grades 4-8, with their teachers and parent chaperones, boarded a coach bus and headed for Harrisburg to visit the State Capitol. Upon entering the Capitol,

Students also had fun in the Interactive Welcome Center and shopped in the gift shop. Students were able to explore the Library where all of the records are stored. They learned that their visit to the Capitol will be documented in the Library's Yearbook.

Living Museum of the Saints

St. Bernard students in Grades 6-8 participated in the Living Saints Museum tour. Students conducted research on several saints. They shared what they learned during live presentations.

The evening event also included fun activities and food. The Knights of Columbus helped to serve hot apple cider and hot dogs to the guests.

Kindergarten Visits the Pumpkin Patch

Kindergarten students enjoyed a field trip to Vale Wood Farms. They played in a huge box of corn, brought home pumpkins, and rode on a hayride!

Check out our new school uniforms!

Diocesan schools Mass with Bishop Kulick

Chalice Program

St. Bernard students and staff were delighted to participate in the Chalice Program as they prayed the Rosary. Students prayed for vocations

on a daily basis. The Chalice traveled to each classroom throughout the weeks of the program.
